

TEAM MEMBER COVENANT

I, _____, have accepted the invitation to serve on Emmaus Walk # _____ . I undertake this position knowing how important my service and commitment are to the Emmaus Community, my fellow team members, and my Lord Jesus Christ.

I promise to support this walk with my prayers and my presence. I will do my best to attend all team meetings. I understand my commitment to the walk includes being present the entire time of the walk; from Thursday send-off to Sunday night after the closing service.

I also pledge to be in service to my fellow team members as well as the pilgrims, remembering by role as a servant. This means that I will always place the concerns and welfare of others ahead of my concerns while participating in walk related activities. I will adhere to team guidelines as established in the Walk to Emmaus Team Manual. In matters of judgment I will defer to team leadership. As a servant of Christ I will be guided by the principle that this is God's Walk.
